

In the Sequence Listing:

Please delete the sequence listing as originally filed (pages 1-61) and substitute therefore the corrected sequence listing (pages 1-59) filed herewith in paper and computer readable form.

REMARKS

The Notice to File Missing Parts, mailed March 15, 2006, required submission of an Inventor's Declaration, a substitute sequence listing and an English translation of the priority application. Accompanied herewith is a copy of the Notice; an executed declaration of the inventors, in compliance with 37 C.F.R. §1.497(a) and (b), paper and computer-readable copies of the substitute sequence listing on one diskette along with a statement indicating the content of the diskette submitted herewith is identical to the paper copy and does not add new matter, an English translation of the priority document, a petition for an extension of time, an assertion of small entity status under 37 C.F.R. §1.27(c) and request for refund under §1.28 and a check in the amount of \$190.00 covering the extension fee and surcharge for providing the declaration and English translation of the priority application later than 30 months from the priority date. This response is timely filed.

The Director is hereby authorized to charge any deficiency in the fees filed and credit any overpayment to our Deposit Account No. 13-2855, under Order No. 30572/41384. A duplicate of this paper is enclosed.
